Interviewer's Script:

HELLO, I'm calling for the Kansas Department of Health and Environment and the Centers for Disease Control and Prevention. My name is (name). We're gathering information on the health of Kansas residents. Your phone number has been chosen randomly, and I'd like to ask some questions about health and tobacco.

Is this (phone number)? **If "no":** Thank you very much, but I seem to have dialed the wrong number. It's possible that your number may be called at a later time. **Stop**

Is this a private residence? **If "no":** Thank you very much, but we are only interviewing private residences. **Stop**

I need to randomly select one adult who lives in your household to be interviewed. How many members of your household, including yourself, are 18 years of age or older?

— Number of adults

If "1" Are you the adult?

If "yes" Then you are the person I need to speak with. Enter 1 man or 1 women below (Ask gender if necessary). **Go to page 2**

If "no" Is the adult a man or a woman? Enter 1 man or 1 women below. May I speak with [fill in (him/her) from previous question]? **Go to "correct respondent" at bottom of page.**

How many of these adults are men and how many are women?

If "you," go to page 2

To correct respondent: HELLO, I'm calling for the Kansas Department of Health and Environment and the Centers for Disease Control and Prevention. My name is (name). We're gathering information on the health of Kansas residents. Your phone number has been chosen randomly, and I'd like to ask some questions about health and tobacco.

I won't ask for your name, address, or other personal information that can identify you. You don't have to answer any question you don't want to, and you can end the interview at any time. The interview takes a short time and any information you give me will be confidential. If you have any questions about this survey, I will provide a telephone number for you to call to get more information
